

# Subtraction War

This is a game for 2 players

- 1) Deal out all of the cards face down in two piles. Each player gets a stack of cards. Do not look at the numbers on the cards.
- 2) At the same time, each player turns over two of his/her cards and finds the difference.
- 3) The player with the higher difference wins all four cards and places them on the bottom of his/her stack of cards.
- 4) Play continues until time is called.

The winner is the player with the most cards.
